Meet Coach Amanda Hoffman

I started swimming when I was in the second grade on my summer swim team. After my first year I was hooked! I swam on all my school teams and went on to swim in college. My favorite events were the 100 and 200 butterfly and the 50 and 100 freestyle and both the 200 relays. My husband and I moved to Noblesville back in 2009. When i'm not at swim practice or the baseball fields, I like to spend time boating with my husband and two boys. I love when the weather warms up and allows us to do all things outdoors. Bonus if I can bring a book with me! In my hometown of Greencastle IN I offered swim lessons after lifeguarding shifts at our community pool. I have always loved watching kids grow and gain confidence in the pool. Three years ago I started offering swim lessons to all of my neighbors. After seeing them "graduate" from my lessons, and still wanting to learn more, I took a leap and started a neighborhood swim team! In my few moments of "nothing to do" I find myself daydreaming of a long vacation taking me to see all the sites in London, Paris and Rome while enjoying all the delicious meals along the way!
