SWIMMER SPOTLIGHT

Caroline Santerre, 2022-2023 NHS Senior

High school senior, Caroline Santerre, returned to the team at the Annual Swim Club Banquet. Private Santerre just finished 10 weeks of US Army Boot Camp where she refined her Lady Miller skills with hand to hand combat, grenade tossing, M-4 shooting, 75 foot wall repelling, gas chamber socials, rucking(hiking) with 80 lbs of gear for hours, obstacle/team building courses, running, a few push ups, listening to the gentle sound of drill sargent's voices and maximizing her waking hours with middle of the night pushups.

Asked to compare bullet usage to # of total pushups she quite quickly stated "push-ups".

The planking competition with the next platoon dropped off everyone but her and another soldier going head to head. It was called a draw after 7 and half minutes. Ouch!

You just might see Caroline leading some team dry land cadences sometime soon.

Caroline is starting her 11th year with the Noblesville Swim Club. Last year on the High School team she earned the Most Valuable Swimmer award.
