

## **2025-2026 SHORT COURSE PRACTICE SCHEDULE**

SCSC provides a meet schedule designed to both challenge our athletes and give them an opportunity to “showcase” their skills. Meet participation is strongly encouraged as a method to gauge progress, reap the rewards of practice and enjoy the fun of racing. Home meets are required. Away meets are up to each individual family. **As part of the commitment to our team culture, swimmers are expected to compete at any Championship level meets for which they qualify.** All meet sign-ups are done on-line through our website.
