- Inspiration Of The Day: Either Find A Way To Succeed Or Make One
- Suzie Hoyt, a 2017 Double-Goal Coach® Award Winner, is a swim coach at Glastonbury High School (@GburyAthletics) in Glastonbury, CT. In this video, Hoyt has a Latin saying on her door that has personal meaning to her. It is translated to mean "I will find a way or make one." It has inspired her swimmers to never give up and to know that there is always another option. Some of her student athletes took this motto with them to college and throughout their lives to remind themselves to always work harder.
