

Warrior Swimming

Swimming has been a strong sport in our area for many years. Warrior Swimming is a young non-for-profit organization in the community that not only provides the area with a safe atmosphere for athletes to train, swim lessons for children, and lifeguarding classes essential to our lakes community but is actively feeding our Wawasee High School & Middle School programs to maintain that strong swimming history.

Our coaching staff is not only stacked with talent and experience, but also some alumni with their names still on the record board. They are invested in a strong swim family and love to watch our kids grow to their full potential.

We are contacting you regarding an opportunity to be a sponsor of our swim program. Warrior Swimming is constantly wanting to improve our facilities and help our athletes reach their goals. These improvements include equipment, coaching compensation, uniforms and general maintenance. We also like to have the capability to offer scholarship opportunities from some families who need some assistance with registration.

Warrior Swimming invites you to become a sponsor and partner for our program. Corporate sponsorship is essential in order to build a foundation for the future of Warrior Swimming. Participation provides our sponsors the opportunity to showcase the support of their businesses in our community and provide less fortunate children the opportunity to participate. Please review our annual (Sept - Sept) sponsorship levels on the below to determine to what extent you'd like to engage.

Level	Warrior ELITE	Gold	Green
Donation	\$1000	\$500	\$250
