Last Chance Meet

We will be needing volunteers for the Last Chance Meet; look for a SignUpGenius soon.

Do Good BBQ will be donating the meat for our concessions stand to help do good in the community and support our team! We will need volunteers to help serve food.

RESOURCES

Team website – gomotionapp.com/inwsac
(previously known as TeamUnify)

Team filing cabinet – found just inside the doors to the pool area.

If your swimmer is attending meets, you may want to check out the [Meet Mobile: Swim](#) app.

LEDGEVIEW GIVE BACK DAY

Thursday, February 5th

The team will receive 20% of food and merch purchases all day long—lunch or dinner!

Spread the word that Ledgeview is the place to be on February 5th, and don't forget to order the brownie for dessert! A huge thank you to swim parents Abby and Craig McLaren for once again generously supporting this Give Back Day.

To make this event possible, ***we will need 3-4 parent volunteers*** from 5-8 p.m. to run food, bus tables, and do dishes. Please contact Kaitlin at wacsecretary22@gmail.com to volunteer.

KROGER COMMUNITY REWARDS

In your Kroger account, look for Community Rewards, then search for "Warsaw Aquatic" and add us to earn money for WAC every time you shop. [Here's a tutorial on how to sign up.](#)

END OF SEASON

The end of our season is approaching quickly! For many swimmers, the season will end with our Last Chance Meet on February 15th. We hope to see all of our swimmers at the meet! This is a great opportunity to see the progress they've made during the season.

Swimmers with divisional qualifying times will continue practicing and then attend the Divisional Meet on March 6-8, after which their season will end. Swimmers with state qualifying times will continue practice until the State Meet. [Time standards for the divisional and state meets can be found here.](#) Look at the "SCY" (Short Course Yards) column for qualifying times for these meets.

ACCOMPLISHMENTS

We currently have 36 swimmers with divisional cut times that are eligible to compete at the Divisional Championships in March!

The Otters Meet was a big success with a few of our swimmers achieving new divisional cut times. The Tim Walsh meet was a large prelims/finals meet, and the swimmers did a great job. Nivin and Krishna both made it into the consolation finals in several events.

SWIM-A-LAP FUNDRAISER

Our top fundraisers for the Swim-A-Lap received their prizes!
A few of them are pictured here, L-R: Alayna, Neil, Nivin, Dennis, Cc, Will, and Marin.
Thank you for your fundraising efforts!
