How can you help?

Wabash Valley Tumbling & Gymnastics invites you to partner with us and become a Corporate Advertiser. Many athletes participate every year in our programs. Providing a TOP NOTCH facility, instruction and equipment is not inexpensive. Equipment must often be replaced to maintain safety and our instructors are often sent to instruction clinics across the country. In order to keep costs affordable for our WVTG families we are looking to offer our services and events to you. This is how YOU can help! Please consider the levels of advertising we offer. Choose the one that best suits your need and become a part of the WVTG community!

Advertising Standards

WVTG has established a recognizable brand and along with the brand comes a mission to inspire young athletes to participate in gymnastics and serve as an essential contributor to the achievement of their ultimate goals. As such WVTG insists the integrity of all graphic elements and advertising subjects are suitable for all ages.
