CPSC Hosts Brendan Hansen at Mutual of Omaha Breakout Swim Clinic

CROWN POINT - On Saturday, March 23, 2013, seventy-five of the Crown Point Swim Club swimmers got to experience a once in a lifetime clinic with 2012 Olympic Gold Medalist Brendan Hansen. Hansen spent three hours in the water with the swimmers working on technique and taking about ideas of how to improve as well as spent an hour in the classroom talking about his Olympic experiences and what drove him to be as great a swimmer as he is. For a special treat, Brendan came to the club banquet later that evening to sign autographs and take pictures with the whole club as well as talk to the families and hand out the awards to the swimmers. "Brendan Hansen is one of the most amazing clinicians I think that I have ever listened to and been giving the privilege of working with," says Head Coach John Krick. "If any teams have the opportunity to

NO CPSC members are allowed to use the fieldhouse without the permission of the HS administration. We do not have permission to be utilizing any other parts of the HS facility other than the pool. Thank you for your help with this!
