

Crown Point Swim Club Information on Payments and Obligations 2025-2026 Winter Season

***YOU ARE REGISTERING TO JOIN THE CROWN POINT SWIM CLUB
FOR THE WINTER SEASON (September-March).***

Winter Training fees for all groups, with the exception of the Collegiate group, are computed on a seven month basis, the first month also includes the CPSC Admin Fee. Fees may be paid in full at time of registration or by monthly installments. Monthly installments will be billed on the first of each month from September through and including February. All training fees will therefore be completely paid off on February 10th.

In addition to the above training fees, each family is responsible for all required fundraising fees as well as the meet entry fees for the meets in which they are entered. Meet fees will be billed monthly as they occur while fundraising fees will be due the following month upon completion of the event.

Your statement will be e-mailed on or about the 25th of the month and **must be paid in full NO LATER than 11:59 pm on the 10th of the next month**. Any late payments will be subject to a system generated monthly \$25.00 handling fee until obligations are satisfied. Additionally, your child may be asked to leave the water, and will not be allowed to participate in practice and/or meets until the bill is paid. Payments can only be made by credit card. A CURRENT credit card will be required to be on your account at the time of sign up. Please note you are NOT responsible for the credit card processing fees as the club will absorb those fees.

If wishing to pay training fees by check, the season must be paid in FULL at the time of registration and turned in on the first day of your child's attendance at practice. Payments made by check need to be made out to the "Crown Point Swim Club". Please include your child's name on your check.

Any swimmer wishing to discontinue their current contract and no longer participate in CPSC you must notify the CPSC office in writing. **All fees are still due in full and there will be no refunds.** Please note: Any entry fees for upcoming meets must be paid if notice of intent to leave the club is given after the deadline to un-commit has passed. Should the swimmer wish to rejoin CPSC any time after their discontinuance, any unpaid obligations for any of the previous seasons must be repaid prior to re-establishing membership.

For those families with more than one swimmer: Each additional child registered, excluding the 2 Week Trial swimmers, will receive a multi-swimmer discount to the training fees. Please see the fee schedule for details. Additional children, however, do not pay another team Admin registration fee.
