2022 DCST Open – Sunday, February 26, 2023

On DCST's web page, www.DCST.org, under the section "DCST Hosted Meets - - > DCST Open," teams can find a team manager event file. Please download this file to your computer, and then import it into your Team Manager program. Team Manager will automatically create and set-up the meet events for our meet. This will save you the hassle of setting up all of the events, plus it will make sure everyone has the events set-up the same. With both boys and girls of all ages swimming as one event this process is a little different than other meets. By importing this file, we should eliminate any confusion. If you have any questions or concerns, please contact Paula Hastings at (815) 375-5399 or by email at pauladcst13@gmail.com

This meet will be an approved ISI meet. This means times for USA registered swimmers in this meet will be placed into the USA Swimming SWIMS database. Please note, not everyone will be automatically entered into the SWIMS database. Teams and/or swimmers wanting times from the meet entered into the SWIMS Database must fill out and return the form on page 7 of this packet with their entries by Friday, February 24th. **Only teams and/or swimmers who pre-register with USS registration numbers for the meet will be submitted into the SWIMS database. Team and/or swimmers who enter on the day of the meet will not be entered into the SWIMS database.** Furthermore, teams not returning this form with their pre-registered entries will not have swimmers entered into the SWIMS Database.

Looking forward to seeing everyone in February,

Kayleigh Kozlowski – Head Coach DCST
