

Since we have been back in the water, Isaiah has made tremendous progress. Out of Gray Eagle, Isaiah was routinely trailing behind his teammates and struggling to get his rhythm when it came to skill work. Now, Isaiah is one of the top Tigers in T1 and constantly asking for feedback on how to improve. His positive attitude, attentiveness, and willingness to help guide others are just a few of the major components of Isaiah's improvement.

Isaiah embodies all of our Tiger Values day in and day out.

That is why Isaiah is A Tiger Champion. Congrats Isaiah!
