

Congrats to Kosei Hosogai on being Tiger Champion!

Kosei is an excellent member of T1. Regardless of the environment, he leads vocally and by example. On a daily basis he shows each of our Tiger Values and embodies the TEAM aspect. His encouragement of his fellow swimmers, ability to include others during dynamics, and his knack for keeping his lane on task is unmatched in T1.

Kosei has been keeping his goals in his sights since the Summer Divisional meet. He keeps asking how he can improve so that he can move to the next level and isn't satisfied until he feels fatigued. I can't think of anyone better to be our first Tiger Champion.
