## 2026 Sponsorship Opportunities

The South Irvine Dolphins Swim Team is one of the few “City Teams” within the Irvine Swim League (ISL). As a city team, the Dolphins is open to swimmers from all over Irvine, a unique citywide exposure that neighborhood teams within the league may not have. Because we are a City Team, the team does not have free use of an HOA pool like most ISL teams, which is why the Dolphins rely so heavily on support from local businesses and professionals within Irvine.

### Benefits of Being a Dolphins Sponsor

- The Dolphins have a highly visible sponsor section on the team website with sponsor logos. The logos are active links to the sponsors' websites. The Dolphins website is set up to promote frequent visits by families and friends of our 130 swimmers. Regular updates and notices on practices and weekly swim meets are posted there, including weekly meet results and photos taken during the meet. Sponsor logos will remain live on the site until registration for our next season begins in March 2027.
- 2026 Team T-Shirts with sponsors' logos on the back will be given to every swimmer as part of the team uniform and encouraged to be worn at every swim meet. The Dolphins always show great team spirit at every meet and these t-shirts have become an integral part of that effort.
- Team banners with sponsors' logos will be prominently displayed at every swim meet (approx. 500+ people in attendance), including the city championship which has over 2,400 swimmers participating (approx. 5,000+ people total in attendance).

**Our team sponsor banner is displayed at every swim meet, including a prime location at the City Championships**

**Team shirts with sponsors' logos are worn by swimmers at every swim meet**
