Dylan's Advice to Younger Swimmers!

KING MEDIA DAY

Boosters hosted a KING Media day during our Swim-A-Thon. This was a first for us, and we are thrilled to share that it went great! Swimmers who opted to have creative photos taken had a lot of fun with the process and the photos looked fantastic. All swimmers attending the Swim-A-Thon should have gotten a head shot and participated in the team photo. Directions on how to access your photos were emailed to you. If you had creative photos taken those photos should be available in the gallery to download as well. A sample of some of these great pics is below.

Thank you to Carlos Sanchez Sports Photography for a great media day!

This is something we hope to provide for the the team next season! We know that there are some families who could not attend and do not want to wait for next fall to have an opportunity for photos. If there is enough interest, we may be able to schedule a make up day. If you are interested in participating in photos this spring please follow the link below to fill out the interest form.
