

KING BOOSTERS

MARCH NEWSLETTER

Annual Banquet

Boosters and the athlete representatives have started planning our annual KING Banquet - please see the flyer on the next page!

The annual banquet is a time to celebrate the accomplishments of all our swimmers and to give special recognition to our graduating seniors. It is a free event for all swimmers and their families. This event is inspiring to our youngest members, and bittersweet for our oldest members as some of our KING Swimmers become KING Alumni.

Mark your calendar to join us for dinner, awards, desert dash, fun photo ops & time to socialize outside of the pool
