KING Banquet May 21

The banquet is an opportunity to honor our graduating seniors as well as all of our swimmers' accomplishments this season. It is for ALL KING families. It is always inspiring for our young swimmers to see and hear about our seniors' future plans in and out of the pool. Coaches from every group will be handing out awards and certificates.

Boosters will provide dinner, and our athlete representatives will be setting up a photo area and some games! Banquet starts at 5:00 and dinner buffet will be open from 5:30-7:00. We will wrap up the night with a dessert dash! RSVP now on the KING Events page.
