STEPHANIE BRODBECK

Pro Cheer International Co-Owner and Founder, Stephanie Brodbeck is a world renowned jump expert who specializes in jump technique and hyper-extension. Her drills produce incredible results in a very short period of time that will get your athletes executing the jumps of their dreams.

Stephanie has been a prominent speaker at many conferences, speaking as the leading jump expert for the last 7 years for Varsity University, Alberta Cheer Association, Spring CDT, and many different conferences.

Her revolutionary drills and techniques have exploded onto the national and international scene, designating her as one of the most sought-after instructors in the industry. She has helped create a streamline path to help thousands of cheerleaders improve their jumps

ALLEN SCOTT

I am a Tumbling Director from Knoxville. I have been in cheerleading for 10+ years and have had the privilege of learning from some of the best in our industry! I coach all levels of all-star tumbling for our teams as well as tumbling for school and rec programs! I am also involved at the collegiate level with the University of Tennessee and other programs that our athletes have graduated to.

I am also a certified strength and conditioning coach and have a love for all things movement! In my opinion, this helps me take some of the advanced movements in tumbling, and break them down into smaller and simpler chunks that athletes can learn from.

BRANDON ELLISON

A portrait of Brandon Ellison, a man with a beard and short dark hair, wearing a blue and white striped polo shirt and standing with his arms crossed. The photo is set against a black background with white, paint-like splatters.

I am a current tumbling director in Tennessee. A little about me: I have been coaching tumbling and all-star cheer for the past 9 years! I am a former worlds athlete and former University of Tennessee cheerleader. I fell in love with tumbling at an older age, so I know what it takes to go from nothing, to worlds level skills in a short amount of time. My favorite skills to teach are punch fronts, Arabians, and standing fulls!

I can't wait to help everyone love tumbling as much as I do!
