26-29 Jul	L4A	Long Course Championships	Uofl CRWC	Y	8/LCM	LCC	P/F & TF			

4/10/2017

- 1) Short Course Championships: Contingency vote passed. ICE will move the SCY Senior Champs meet to the Uofl CRWC if ISI provides funds for increased facility rental fees.
Bid vote: Passed with the contingency above
- 2) Short Course Age Group Championships: The Wellmark YMCA pool is still under construction with an anticipated completion of January 2018.
If the pool is not ready to host a meet March 1st, Mercer pool may be used as a back up. A confirmation must be made by Dec. 1st to Iowa City Parks and Rec if Mercer is to be used.
- 3) Silver Championship meets: Under the direction of Technical Planning Committee the meets formally known as Regionals will now be known as Silver Championships.
Technical Planning recommends decreasing the number of these meets by one each season. SCY will now have two Silver Champs, LCM will have one.
This is pending a vote by the Spring House of Delegates. At the bid meeting the recommendations of TPC were followed. If the proposal fails to pass at the House of Delegates then these meets will be reopened up to bidding and all decisions made at the Bid Meeting will be nullified.
- 4) Short Course Silver Championships hosted by BLAST and LMST: Due to facility usage, warm ups on Friday night must be moved back to 5:30PM
- 5) LMST Spring Splash May 5th may be changed if the Spring HOD date changes from April 28th, 2018. If so, LMST would like the meet on April 28th.
- 6) The DMET Summer Jam may be changed to SCM rather than SCY.
