Presentation

Gerry Jones, General Chair, stated the reason for the special HOD meeting is because of a protest before the board due to the changes to the Championship meet passed at the fall HOD meeting. The protest says there were no details given to the delegates when the changes were passed and proper procedure was not followed.

The ISI board decided to hold this special HOD meeting to clarify what was passed and to handle changes for the 8&U championship meet. Dave Joensen asked to make a proposal to clarify the fall changes. If these changes are accepted, the protest will be rescinded.

Proposal A

To rescind the action of the House of Delegates regarding eliminating 13/14 Age Group from the Age Group Championship Meet and adding the 13/14 events to the Iowa Swimming Championships.

Rationale: The action of the House of Delegates is invalid in that the proposal contradicts current ISI rules and regulations and proper procedure was not followed when adopting the current proposal. A protest has been filed with the ISI Board of Review and will be carried through in the event that this is not repealed.

The motion was presented by Dave Joensen and seconded by Virginia Sourbeer. Bobby Kelly made a motion to table Proposal A until after discussion of other proposals. Motion seconded by James Broghammer. Motion passed.
