

# IASI Executive Board Meeting Minutes

November 24, 2020 Zoom Meeting

## Roll call/Attendance

Board Members:

Present: Bobby Kelley, Jennie Hedrick-Rosenberg, Michael Peterson, Susan Repko,, Phil Barnes, Jordan Kloth, Mikayla Kloth, Lily Weber

## Motion

With the Governor's recent proclamation, Phil Barnes has informed me that he feels that meets cannot be run in a manner that both comply with the requirements presented in that proclamation while also being held in accordance to rules of USA Swimming. I agree with him. As such, I would like the Executive Committee to consider the following motion:

***All sanctions issued for meets scheduled to be run prior to expiration of the proclamation issued by Governor of Iowa on November 18 are rescinded. Additionally, new sanctions for meets to be run during the time impacted by the proclamation will not be issued. Should the expiration of this proclamation get extended to a later date, the moratorium on meet sanctions for IASI held swim meets will also be extended.***

Discussion was held and motion was put to a vote. **Motion carries.**
