

2022 IASI Spring HoD Officials Report

As of April 15th 2022, there were 205 certified Officials within the LSC. Attachment 1 summarizes the IA Officials by team, certifications and location (county). Attachment 2 provides a summary of Officials activities for the 12 months ending March 31st 2021 and the 12 months ending Mar 31st 2022. This shows the levels of participation increasing as COVID restrictions were lifted. Note that the summary is incomplete due to some restrictions within the Officials Tracking System.

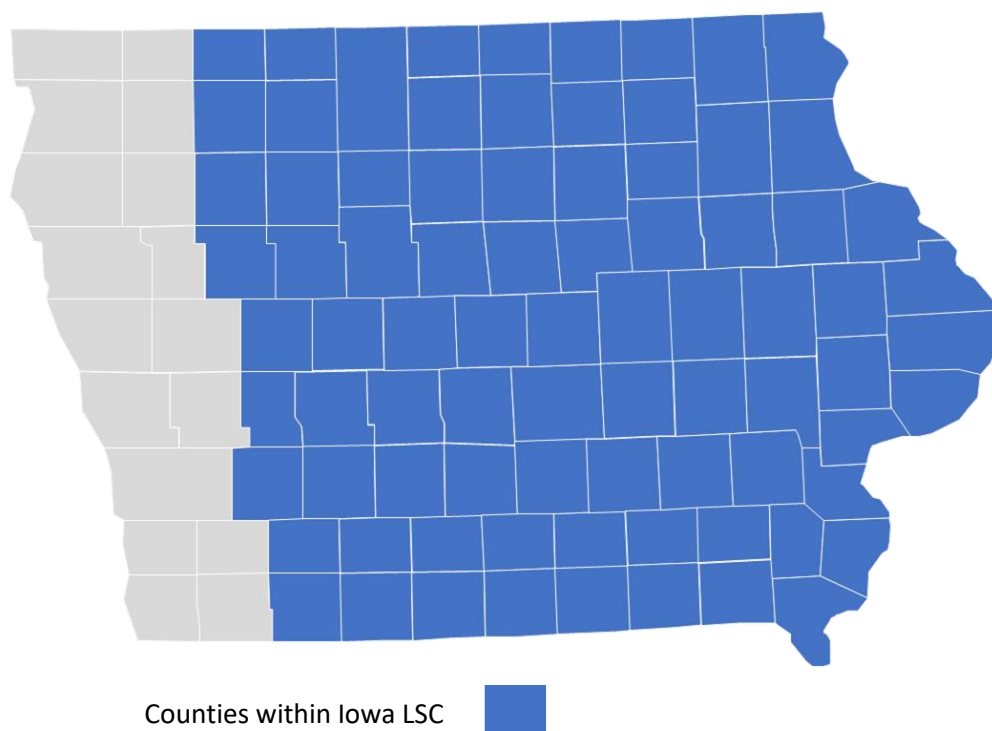

IASI Officials elected 3 members to the Committee Chair (Phil Barnes), West Zone Rep (Jason Kemp) and Stroke and Turn Rep (Jeff Tjebkes) for approval by the General Chair. Many thanks to Art Dinkin and Jodie Stone to their contributions to the officials committee over the past two years. The officials votes to maintain the white over navy blue as the standard dress for Iowa meets.

Audrey Repko and Alex Stone have completed their terms as athlete representatives on the officials committee – we wish to thank them for their help and wish them all the best for college and their future endeavors. The committee is looking for new athlete representatives.

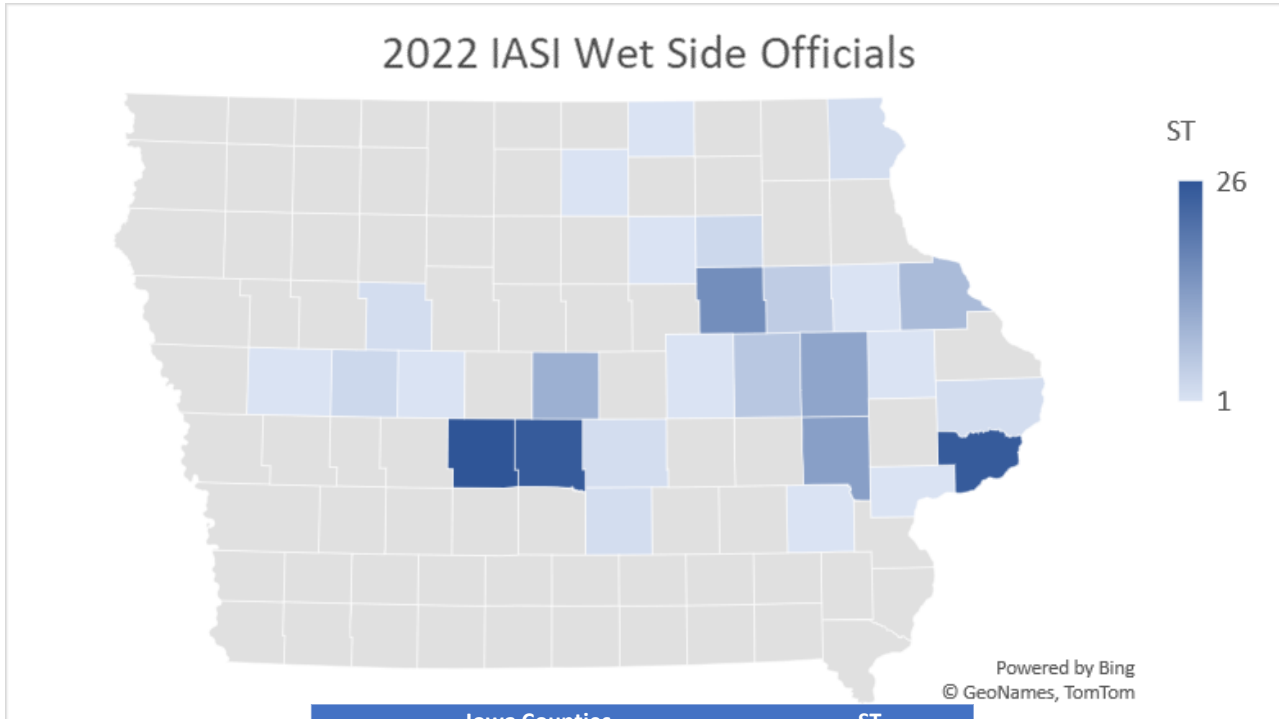

Iowa LSC Certified Officials Summary

The following charts and tables summarize the number and locations (by county) of USA Swimming certified officials as of April 15th, 2022. The total number of officials (current registration, current certification, non-apprentice or apprentice) is 205. The charts shown are (in order):

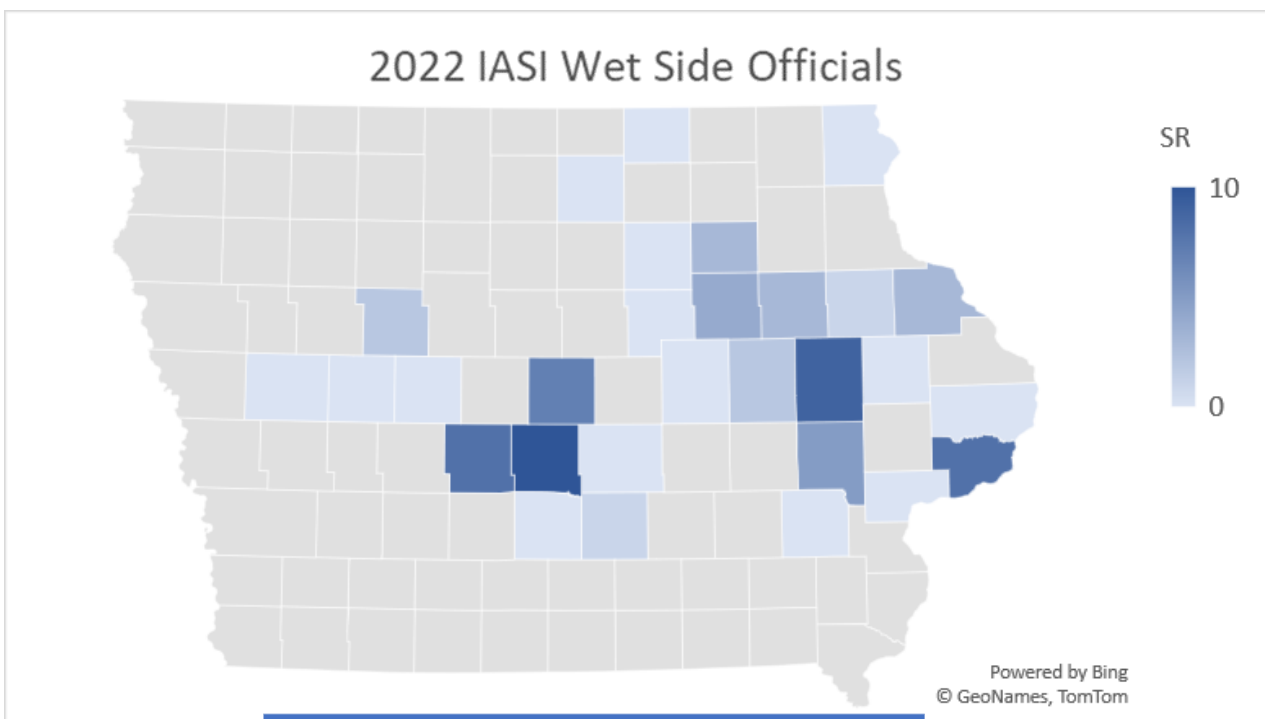

1. Iowa LSC
2. Distribution of officials by club (table)
3. Total number of certified officials by county. This does include apprentices. Some cities straddle counties in which case an educated guess was made as to the actual county. If an official lives outside the state, then the closest county to that official's address is used.
4. Total number of "Wet Side" certified officials (Stroke & Turn, Starter, Deck Referee) by county. This is equivalent to the total number of Stroke and Turn officials as Starters and Deck Referees are also certified Stroke and Turn officials.
5. Total number of certified Starters by county. This includes Deck Referees as they are also certified Starters.
6. Total number of certified Deck Referees by county.
7. Total number of "Dry Side" certified officials (Admin Official, Admin Referee, Meet Referee) by county (certified Meet Referees are also certified Admin Referees).
8. Total number of Meet Referees by county.
9. Total number of N2 and N3 officials by category and county.
