

2025 Spring HOD Membership Report

2025_4_21

2025 Registration year opened 9/1/2025.

- Improvement in function of SWIMS 3.0 for clubs and individuals continues.
- IASI Membership Office continues to work with Club Registrars to assist them in management of their clubs and use of SWIMS 3.0.
- Clubs that have opted in for Bulk Renewal are finding the process works well, and support from USA Swimming is available when needed.

Highlights from Membership Report

- March 2025 membership currently 7.4% ahead of March 2024. We continue to grow.
- Outreach membership also continues to grow. 108 Outreach members at end of March 2025, increase of 19% from 1 year ago, increase of 68% from 5 years ago.
- Currently have 35 Clubs, with 1 club pending renewal, and 1 New Club Application in progress. 36 Clubs is our previous high.
- Complete Registration #s report through March 2025 posted in the HOD reports section on the IASI website.

Increase in Club Registration Fees coming September 2026

At the Fall 2024 USA Swimming Annual Business Meeting, an increase in the annual Club Registration fee was approved by the USA Swimming House of Delegates. IASI Clubs were notified of this increase by email on October 9, 2024, and will be reminded again in June 2025.

For RENEWING Clubs, effective 9/1/2025 with the start of the 2026 registration year:

\$225/year USA Swimming fee

\$30/year IASI Club fee

\$255 total Club Registration fee for renewing Clubs in the Iowa LSC

For NEW Clubs, effective 9/1/2025 with the start of the 2026 registration year:

\$750 USA Swimming fee

\$30 IASI Club fee

\$780 total first-year-Club registration fee for Clubs in the Iowa LSC

When the Club renews its second and subsequent years, it will be \$255/year

The increase in the fee will be utilized in the USA Swimming Sport Development budget. Specific questions about this should be directed to USA Swimming Team Services.
