

## **Disability Committee Report**

1/25/2026

The Disability Committee launched the Grants for Swimmers with Disabilities to support clubs with swimmers with disabilities or that host swimmers with disabilities at meets. Clubs can apply for grant funding in March and August each year. The committee has reached out to summer championships meet hosts encouraging applying for grant funding to support their upcoming meets.

The new championship format for swimmers with disabilities is launching this championship season. The committee will be sending an administrative guide for processing championship scoring in the coming week.
