Age-Group Chair Initiatives

As incoming Age-Group Vice Chair, I have identified a few key initiatives for the Age-Group Committee to review in 2026.

These initiatives align with IASI's goal of 85/35, focusing on swimmer retention and reducing attrition.

- Age-Group Swim Camps in 2026 (budget approved)
- Age-Group Development swim meet program for novice swimmers (13-14 & younger)
- Age-Group Championship Meet
