ISI P&P Section C Part IV and VI

Description:

Increase the Iowa Swimming LSC Annual and Seasonal Membership fee by \$1 per registration. The new LSC fee would be:

Premium - \$13 (raised from \$12)

Seasonal - \$9 (raised from \$8)

Flex - no increase (currently \$10)

Outreach - no increase (currently \$0)

Non-Athlete - \$8 (raised from \$7)

Single-Meet Open Water - no increase (currently \$8)

Solution/Rationale and Proposal/Legislation Requested:

Central Zones has increased LSC from \$100 annually to .25c per Premium/Flex/Outreach members as calculated at the end of the registration year. A \$1.00 increase in fees for Premium, Season and Non-Athlete members would cover this increase as well as provide revenue for other activities to better support our athletes. There would be no increase in the Outreach membership fee nor in Flex (as this is capped by USA Swimming) however the \$1.00 fee would apply for upgrades from Flex to Premium.

The Iowa LSC fees would remain below the average annual registrations fees across all LSCs after this increase. It has been over 5 years since the LSC increased its fees on registration.
