

We have continued to run virtual clinics for volunteers - the latest are scheduled for next Monday and Wednesday.

The USA Swimming Officials Tracking System is still not online - we are tracking LSC officials certification status on the officials website.

The USA Swimming online testing is to start on Canvas in 2024. Until then we will be using the google forms (currently in process of being updated).

The breaststroke rules are being amended - strokes and kicks will no longer have to be on the same horizontal plane. Information on this change has been passed to officials (on the 4th of January).
