

TPC Meeting Notes - May 5, 2024, 12:15 pm

TPC asked for feedback from coaches, officials, parents and athletes about the championship format.

There was feedback from coaches after the last championship meet that they would like to return to the **2014 Championship format** with:

- 8&U, 9-10, and 11-12 Timed Finals session on one weekend with a 2.5 day format
  - 8&U TF sessions:
    - Saturday afternoon
    - Sunday morning
  - 9-10 and 11-12 TF sessions
    - Friday evening
    - Saturday morning
    - Saturday evening
    - Sunday afternoon

**Regionals format** would remain 2-day format but would eliminate the 8&U Championship session on Saturday afternoon. New format would be Q- times for all age groups:

- Saturday am: 8&U and 9-10
- Saturday pm: 11-12, 13-14, and Senior
- Sunday would remain as it is now??

Feedback and Questions about using the 2014 format:

- Could we provide P/F format for 11-12 swimmers in the 50's and 100's
  - Strokes 200+ would remain TF, but have top 8 seed swim in finals??
  - This would mean moving some 9-10 and 11-12 events to Friday night and Sunday afternoon
- Consider offering P/F format for 11-12 on both Friday and Saturday:
  - Friday mid-morning prelims for 11-12
  - Friday evening finals for 11-12
  - Saturday am: prelims for 11-12
  - Saturday afternoon: TF for 10 and Under
  - Saturday evening: Finals for 11-12
  - Sunday morning: TF for 10&U
  - Saturday afternoon: TF for 11-12 (with distance??)
