

08/11/2023

Dear ISI Swimming Board members

My Name is Patrick Fan. I am the father of Winston Fan, a 15 year-old swimmer with the IFLY swimming club in Iowa City.

Winston has worked with his coaches Chris and Jackson very closely in the long course season and summer and has closely followed their advice in terms of the meets to attend. As you can see from the form I submitted, Winston has attended three swimming meets in Iowa during the long course/summer season:

- 2023 Armbruster Open
- 2023 Summer Intrasquad- IFLY
- 2023 IASI LCM Championships

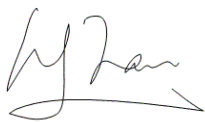

He was instructed to *not* attend the CIA Beat the Heat meet, as it was the weekend before a travel trip to Ann Arbor, Michigan to compete with his team at a higher-level meet to prepare for National level competition at the Futures/JR Nationals level.

If the summer intrasquad meet does not count as the third ISI sanctioned meet, I would like to ask the Board for a waiver for Winston for his futures trip reimbursement since he faithfully followed what Coaches said and have made every effort to attend all major meets that he is qualified including the one in Ann Arbor for a team event at Michigan.

Should you have any questions about Winston and his eligibility for reimbursement, Coach Jackson and Chris can help address any questions or concerns you may have at the board meeting.

Thank you very much for your consideration on this matter.

Sincerely

A handwritten signature in black ink, appearing to read 'Patrick Fan', with a stylized flourish at the end.

Patrick Fan

Father of Winston Fan from IFLY swimming club in Iowa City
