COPPA Policy

The Children's Online Privacy Protection Act (COPPA), effective April 21, 2000, applies to the online collection of personal information from children under 13 years of age. The new rules spell out what responsibilities a Website operator has to comply with.

The Federal Trade Commission (FTC) is the enforcing authority.

COPPA applies to individually identifiable information about a child that is collected online, such as full name, home address, email address, telephone number or any other information that would allow someone to identify or contact the child.

In order to comply with COPPA, Louisiana Swimming, Inc. (LOUISIANA SWIMMING) adheres to the following policies regarding its website. All swim clubs that are members of Louisiana Swimming should follow the same guidelines.

LOUISIANA SWIMMING does not permit advertising on its website for events or causes, that charge a fee or require a purchase or membership signup, other than those programs sponsored by USA Swimming or LOUISIANA SWIMMING, or external organization events as approved by the LOUISIANA SWIMMING Board of Directors.

No information is published on our LOUISIANA SWIMMING website that would include home address, email address, telephone number or any other type of information that would allow someone to contact the child, other than those athletes serving on the Board of Directors where parent consent has been granted.

LOUISIANA SWIMMING follows the federal guideline and does not permit the posting of photographs on our website or social media sites that contain more than 3 identifying bits of information (example - swimmer's cap may show partial or full last name and team - no other identifiable information is given).
