COACHES EDUCATIONAL INCENTIVE PROGRAM

Application Deadline is the 3rd Friday of September

A *Coaches Educational Incentive Program* has been *approved* by the Board of Directors of New England Swimming which will provide educational grants for New England Swimming coaches who participate in NE activities and events. Four (4) grants to a maximum of \$500 each, (\$2000 in total), will be provided each year to eligible NE registered coaches. Coaches will be selected to receive NE Educational Grants based upon a pre-established Point System (see below). At the end of each fiscal year, eligible coaches will be required to complete and forward to New England Swimming an *Application for an Educational Grant*. Coaches will provide on this application a complete listing of all activities and events in which he/she participated in the fiscal year -- September 1 to August 31.

Grants, which are available for a period of one year from the date the selection is announced, may only be used to cover and/or defray the cost of educational activities (i.e, expenses relating to attendance at clinics -- registration fee, transportation, and hotel or educational materials -- videos, manuals, books, etc.). Expenses for such shall be paid directly by New England Swimming to the supplier or service. In no event may a coach apply NE grant dollars for expenses reimbursed by the coach's club, by New England Swimming or by any other party or for expenses related to entertainment, meals or car rental. New England Swimming further reserves the right to approve the use of all grants. In the event that more than four (4) coaches achieve the same number of points in a given fiscal year, the grant(s) shall be evenly divided. In no event may a coach be entitled to a NE educational grant in two consecutive years.

NES will pay for a coach to attend the *USA Swimming Convention*, that is not otherwise selected under the NES Policy and Procedures guidelines. Interested coaches must apply before May 15th, using criteria starting from May 1st of the previous year. Selection will be based on the point system below and the discretion of the General Chair.
