Points of note:

1. Most NE Outstanding swimmers age 10 & 12 did attend Zones.
Unfortunately the girls did not score points and the 11-12 girls in particular only had 16 best times out of 99 swims not including relays. We had ten swims in which 11-12 girls were seeded in the top 8 (some seeded as high as third), but they did not finish there. If they had at least swum their seed time we would have scored.
2. 13-18 Girls participation was down this year. There were many factors that were expected. The Futures Meet and the Senior Zone Meet both took swimmers away from Zones. Those swimmers that chose to attend the Futures Meet and then join us at Zones did not get many best times.
3. SELECT participation was lower than last year and that was expected with the new Futures and Senior Zone Meets. Kristian Hansen (UVAC) achieved his Winter Junior cut in the 800 free and achieved five best times.
4. The 15-18 Girls 400 free relay shattered the Zone record.
5. Aaron Zhu set two RES records – 50 breast and 200 IM
6. High Point Scorers:
 - a. Kristian Hansen (15-18) – 2nd Place – 41 Points
 - b. Aaron Zhu (11-12) – 4th Place – 40 Points
 - c. Nick Toepfer (11-12) – 6th Place – 30 Points
 - d. Will McClelland (10 & Under) – 6th Place – 18 Points
