

## ATHLETE AND OFFICIAL'S CLINICS

New England Swimming is in need of new swim meet officials, especially for the younger age groups. SOLO is offering a unique opportunity on May 11 and 12 for members of any club to help discover and train new officials. While we are hosting Stroke-and-Turn Official Clinics, your swimmer can attend a clinic with Olympian Jacob Pebley! In the afternoon SOLO will hold an [IMR meet on Saturday](#) and an [IMX Meet on Sunday](#) where parents can shadow as apprentices, and clinic swimmers can compete. Parents who attend the official's clinic and complete shadowing on either Saturday or Sunday will be refunded the clinic attendance fee!

ATHLETE CLINIC	OFFICIALS CLINIC
<p>Join Olympian <a href="#">Jacob Pebley</a> for an in-water clinic (backstroke on Saturday, starts, turns and underwater on Sunday) and lunch (bring your own and chat with Jaboc). Then apply what you have learned at a swim meet. Jacob will be available during the meet for race prep and feedback.</p>  A photograph of Olympian Jacob Pebley. He is a young man with dark hair, shirtless, wearing a blue medal around his neck. He is raising his right arm in a celebratory gesture. The background shows a blue banner with the text 'NATIONAL CHAMPION' and a logo of a swimmer.	<p>NES is in need of officials! Support your child and their club by becoming a stroke and turn official. The clinic will also include helping you complete all the steps including registration, certification requirements and testing!.</p>  A photograph showing a group of people, likely officials, at a swimming pool. They are wearing white polo shirts and khaki shorts. Some are wearing straw hats with red bands. They are standing near the edge of the pool, possibly preparing for an event.

## 14 & U IMR/IMX MEET

After the clinics, stay to apprentice as an official or compete as an athlete in a sanctioned meet. IMR events will be offered on Saturday and IMX events on Sunday. Please speak with your club coach about entering you for this meet. Meet information will be posted on the New England Swimming website shortly!
