GUEST SPEAKER, CODY MILLER

Cody Miller is an Olympic gold and bronze medalist, world champion, and one of the most inspiring breaststrokers in American swimming history. Born with a chest condition called pectus excavatum, Cody turned what could have been a limitation into a driving force for excellence. After a standout collegiate career at Indiana University, he made his Olympic debut at the 2016 Rio Games, earning bronze in the 100-meter breaststroke and helping Team USA capture gold in the 4×100 medley relay in Olympic-record time. Beyond the pool, Cody has built a massive following as a YouTube creator, where he shares training insights, behind-the-scenes stories, and motivational content with swimmers and fans around the world. Known for his resilience, passion, and contagious enthusiasm, Cody now uses both his platform and his story to inspire others to overcome adversity and pursue their dreams with relentless determination.

LEGACY AWARDS

JEFF JOHNSON AGE GROUP DEVELOPMENT COACH OF THE YEAR

Ellen Caruso, Commonwealth Swimming- The Current

Ellen Caruso has been the head 10 & Under Coach at Commonwealth Swimming in Boston, MA for 10 years. A competitive swimmer from a young age and through college, she carried that love for the sport into coaching today. After moving to the Boston area in 2005, for grad school, she began her aquatics career that year working alongside Head Coach Chris Sheppard where they both taught learn-to-swim lessons and coached age group swimmers. In 2015, Sheppard and Caruso founded Commonwealth Swimming, where she has continued to develop a strong community of 10 & under athletes. Additionally, Ellen has 19 years of experience as a 4th-6th grade Special Education Teacher with Masters Degrees in Curriculum Instruction and Literacy as well as in Special Education.

Dorsey Raynolds Senior Development Coach of the Year

Harrison Hollingsworth, Commonwealth Swimming North

Harrison Hollingsworth serves as the Head Coach of Commonwealth Swimming North, formerly SOLO Aquatics. He has been a member of the program's coaching staff for the past 10 years, bringing dedication, leadership, and a proven record of athlete development to every level of the team. Harrison began his tenure in 2015 as the Head Age Group Coach before moving into the role of Associate Head Coach from 2017 to 2022, where he directed the Exeter site and served as the National Team Director. Under his guidance, athletes have achieved success at every level of competition, qualifying for Sectionals, Futures, Junior Nationals, National Championships, the U.S. Open, and the USA Olympic Trials. Most recently, Harrison coached an athlete who earned a position on Team USA at the World Junior Championships. His coaching philosophy emphasizes the importance of goal setting and the commitment to working hard each day in pursuit of those goals. This approach has consistently produced results, helping athletes develop both in and out of the pool while striving toward excellence at the highest levels of the sport.

2025 SERVICE AWARD

BILL GLASS, UN, Admin Vice Chair of Finance, Official

Bill has served NES most admirably with quiet, steady leadership in the role of Finance Vice-Chair for the last six years! He guided the LSC through the complicated financial times of the global pandemic as well as the years post-pandemic with countless unknowns. Bill spearheaded a club grant program during the crisis that was recognized and used as a model for USA Swimming. He did this with unending thoughtfulness and wisdom. And for those of us lucky enough to work closely with him, he always kept a smile on his face and kindness in his demeanor. The LSC is better for having had Bill at the helm of its finances during these past several years.

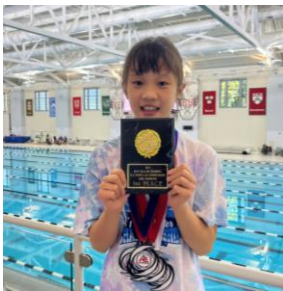

IN MEMORIAM

Roy Sung, Coach, Shawmut Aquatics

With heavy hearts, the unexpected passing of Roy Sung, SAC, age 32 was announced on March 23, 2025. A dedicated swim coach and talented software engineer, Roy was a graduate of Wayland High School and Carnegie Mellon University. He was a talented swimmer and held numerous records and top times in New England swimming and at Carnegie Mellon. His passion for swimming led him to return to his roots at Shawmut Aquatic Club, where he became a highly respected coach. Roy dedicated himself to shaping the lives of young swimmers, nurturing their potential with care and devotion. He found immense joy in guiding others and was a positive influence on everyone he worked with. Roy will be deeply missed by his loving family and all who had the privilege of knowing him.
