Why do you want to be the Junior Athlete Representative?

I love swimming, and have been doing it for the majority of my life. I think it is a great sport, with amazing people and I would love to be a part of making the swim community even better, healthier, and safer. I also think that there are such important rules and safety concerns that come with the sport of swimming, and I want to be a part of making sure that all NE swimmers feel safe and protected by those rules.
