

Emmanuel "Mono" Estrada, 64, of Woonsocket Rhode Island, husband of Coach Anne-Marie Estrada (KING-M) passed away on Monday May 30, 2022, at Boston's Brigham and Women's Hospital, after a long, hard fought, yet courteous (in true Emmanuel fashion) battle with numerous health issues. He leaves behind his loving wife, Anne-Marie Estrada; four sons (Thomas, Paul, David, and Raymond) one daughter (Christina), four grandchildren (Julianna, Annabelle, Emma, and Sam) as well as many other loving friends and family.

Mono was a dedicated father who never thought twice about helping or giving back. As his children grew up in the New England Swimming world, he too dedicated his time and energy to the sport. Mono was his children's biggest cheerleader and always made sure that whatever they did, they did it "right". For more than 20 years Mono worked behind the scenes of the various swim teams his family was a part of, and officiated for New England Swimming. He only stopped when his health made it impossible for him to continue. From driving to swim meets well before 5AM, working concession stands, or trucking a van of his children across many states to different swimming pools, Mono did so with a heart full of love and pride. Mono was a dedicated New England Swimming official. He was always professional, knew the rules and procedures, and enjoyed mentoring new stroke and turn officials. He made many, many friends on the pool deck over the years and set a wonderful example for his fellow officials.

As his family grieves during this time, they thought it was important to share the news of his passing on to you all, as his life revolved around his children and his children's lives revolved around swimming. Those that knew him, knew what a generous, caring, supportive, fair man he was. He will surely be missed.

Visiting hours will be on Monday June 6 from 5-7pm, at Blackstone Valley Baptist Church, 40 Pine Swamp Rd, Cumberland, RI 02864 and will be followed by a short service, open to friends and family.
