The meet host must make a reasonable effort at the time of allocation to solicit interest from New England Swimming teams to meet this requirement. Should insufficient New England Swimming teams express interest at the time of allocation, the meet host may proceed with allocating these reserved splashes to out-of-LSC teams. • If a specified allocation of splashes is granted to a team and agreed upon in writing between the meet host and attending team, the attending team is financially responsible for that allocation if unused, unless the meet host is able to substitute other participants to fill the unused splashes.
CUT PROTOCOL	If a session is over-subscribed, the Meet Director reserves the right to limit events, heats, swimmers, or adjust the format to conform to the 4-hour policy using the following cut protocols in any order deemed necessary: • Teams may be asked to cut each athlete to no more than two fewer events per day than the maximum allowed. • Entries may be cut by time or to a specific number of heats for specified events. • Teams may be asked to cut relay events. • If deck scratches allow a reasonable timeline, the swimmers can be reinstated into those previously entered events. Clubs will be notified of cuts no later than Monday before the meet.
