House of Delegates and Swimposium

- October 24, 2020 is HOD at 10am (virtual)
- Swimposium (virtual) is from 12:00pm to 3:30pm
 - Officials track will include stroke and turn clinic (Alicia, Jessica, and Connie)
 - Carri will send announcement out to the teams

Meet Concerns with safety procedures in regards to COVID

- Concerns about some meets where swimmers were not wearing masks on deck, not marching swimmers out
 - Teams not following their return to competition plans
 - Need to have referee stop the meet until the procedures are followed
- Utah Swimming should consider setting some standards that must be followed and return to competition plans need to be adhered to or these teams may not continue to host meets

Training at Meets

- There has been some training at meets, one lane apart on deck
- There has been some AO training at a few meets
- DQs have been handled in various ways; some collected at the end, some during the meet at set intervals, ensure coaches get copies of DQs at least at the end the meet
