 - Suggested the II groups are added to this meeting as well
 - Consider offering having a zoom or something similar and record it, then send the recording after the meeting is over
 - The meeting could be after the group meetings on Saturday in September and include an online option
 - Is there a place for documents on the SJAC website or elsewhere for group info
 - Jeff is currently hosting the document on Google, but would be better if it were through SJAC
 - Most of the documents are templates for the whole team
 - SJAC can set up a Google Drive to host the documents
 - Kristen can also set up a link to the docs on the SJAC website
 - Jeff will send Kristen a link to the documents and will add a doc with the description of all of the jobs
