

EAC Code of Conduct: Swimmers

The purpose of this athlete code of conduct is to establish clear and consistent expectations for athlete behavior. It serves as a guide to promote a positive team environment and encourage good sportsmanship. Additionally, it emphasizes the importance of showing respect for coaches.

As a swimmer, I will follow these guidelines to support a positive team environment:

- ☐ I will respect and show courtesy to my teammates, coaches, officials, and volunteers at all times.
- ☐ I will demonstrate good sportsmanship at all practices and meets.
- ☐ I will set a good example of behavior and work ethic for my younger teammates.
- ☐ I will respect my teammates' feelings and personal space. I understand that sexist, racist, homophobic, or any other inappropriate comments or behavior will not be tolerated and may result in consequences.
- ☐ I will attend practice and competitions whenever possible.
- ☐ I will show respect for all facilities, locker rooms, and other property used during practices, competitions, and team activities.
- ☐ I will refrain from foul language, violence, behavior deemed dishonest, offensive, or illegal.
- ☐ If I disagree with an official's call, I will talk with my coach and not approach the official.

Any concerns of a swimmer violating this code of conduct should be brought to the attention of the head coach. I understand that if I violate this code of conduct, I will be subject to disciplinary action determined by my coaches and, if needed, the swim club's board of directors.
