

## **Swimmer Photograph Opt-Out**

EAC reserves the right to have team recognized photographers take photographs of EAC participants during EAC sponsored activities, swim meets, and team events. Photographs may be used on the EAC website, in the team slideshow, in publications, and on social media including, but not limited to EAC's Facebook and Instagram pages.

Parents and guardians can choose to opt their swimmer(s) out of photographs by emailing the EAC president with a clear opt-out request including their swimmer's full name. Parents should email their request prior to the start of the season and watch for a reply to confirm that their request has been received.

I understand that I must send an opt-out request to the EAC president to opt my swimmer(s) out of team photographs. I will contact the team president if I have additional questions.
