

HAC Members:

The first week of practice has come gone and all has gone smoothly. There is one request by the recreation center. Please pick up you swimmers at the lower parking lot and do not park in the front of the building.

The Holiday meet originally scheduled has changed. The Tom Dolan Invite has changed dates. Also, HAC is not guaranteed admittance to this meet. The meet host honors all teams that attended the year before. Not knowing our acceptance will make planning for the trip difficult. Therefore, we will be attending the TSC Holiday Meet at Franklin and Marshall.
