JENNERSVILLE BRANCH – SPRING CLINIC 2026

The Kennett & Jennersville Area YMCAs Swim Team provides an opportunity for children to enjoy competitive swimming in a safe, fun, and friendly atmosphere. Our Spring Clinic focuses on the development of strokes, endurance, starts, and turns in preparation for the Summer Swim Team. This program is recommended for those that have been on a Winter or Summer Swim Team previously.

For our younger swimmers we will work on a different stroke every weeks and a half. For the older swimmers, the first four weeks we will break down the four strokes each week and then remaining 4 weeks will be review as well as working on endurance with the swimmers. The swimmer's age is based on their age as of 4/6/26.

The Spring Clinic begins on April 6, 2026 and runs through May 23, 2026.

Please keep in mind that Spring Clinic is an extension of our Swim Team. This program is not intended to be swim lessons and is a step above the Stroke & Conditioning Academy.

Current KJAY YEAR ROUND Sea Turtles will have priority registration and must let Coach Kelly know by March 15th which days they would like to practice. Current KJAY WINTER Sea Turtles will have priority registration between March 16th to March 20th. There will be a list at the Front Desk of our Winter swimmers. If there are still spots available after March 20th, it will be open to our Summer Team and new swimmers. All new swimmers to KJAY must attend an evaluation. Once we open up registration on March 21st, there will be a list of our past Stroke/Conditioning, Summer Team & newly assessed swimmers at the Front Desk. Please sign up for an assessment here:
