Volunteering

- **Brainstorm more ways to get people involved.**

 - **Summer – having mandatory meetings before the start of the season, parents committee led. Volunteer spot training is offered.**
 - **Have a sign up sheet at these meetings to have parents commit to two meets with specific dates before they leave the meeting.**
 - **Have multiple meeting to accommodate schedules. One before first meet and one after.**

WhatsApp Usage vs Email

- **Feel App being used as a substitute for Emails.**
 - **Need to redirect parents to read their emails.**
 - **They need to utilize the app for parent only questions.**
