PLEASE NOTE:

- The above fees are just the program fees. Swimmers must also have a youth or family membership.
- Due to an association-wide program database transition, we will have two separate registrations just for this fall/winter season.
 - ACTIVENET & GO MOTION REGISTRATION:
 - Swimmers must be registered by September 9th through GoMotion and Activenet.
 - TRACTION REC REGISTRATION:
 - Swimmers will have to do a second registration through just Traction Rec in the month of November.
 - Additional information regarding this will be communicated once Coach Kelly receives it.
