

**Malvern Prep Swim School**  
**Competitive Skills Clinic**  
**SPRING 2025**  
**3/15 - 5/17**

Malvern Prep Clinic programs focus on improving stroke technique and endurance while introducing butterfly, backstroke, starts, & turns. Swimmers will need an evaluation prior to signing up for their first clinic. Our clinic is a great experience for swimmers who want to learn more about the sport without the commitment of a swim team or for swimmers who are not ready for a swim team. Clinic is not intended to be a stepping stone for team acceptance.
