Topic: Recap of the Athlete Leadership Summit

Ali Bragg and McKayla Kendall discussed how they wanted the team reps to get more involved. We are waiting to get a new list of team reps in order to get more people involved. We will make sure to invite them to a meeting so they can figure out their role.

Kristy Barry talked about mask posts. We decided that McKayla Kendall and Emma Farnham will work on mask posts for the next two weeks. We will reach out to the people that were at the summit to see if they want to help make mask posts.

We then discussed how we will get the athletes from our summit more involved. We also talked about our options for people who could potentially join committees.

McKayla Kendall and Ethan Schulz are going to post on Instagram and Facebook in order to recruit more people to be officials.
