

MAINE SWIMMING, INC. | Maine Swimming Athletes Committee

7 pm via Zoom

6/2/21

Mission Statement: Create opportunities and provide resources to promote excellence in Maine Swimming

Vision Statement: You CAN get there from here!

Present: Ali Bragg, Audrey Cohen, Maria Delmonte, Emma Farnham, Noah Katz, Will Porter Ethan Schulz

Absent: Kristy Barry, Abby Hollis, McKayla Kendall, Brim Peabody, Maria Saltysiak

Guests: Taylor Rogers

The meeting began with Taylor Rogers introducing herself and welcoming the new members of the athletes committee. Ali Bragg then discussed all of the roles that the athletes committee plays such as being the bridge between the swimmers from around the state and the board as well as putting together various events like the leadership summit and the athlete games. Ali also talked about the group chat that was recently put together in order to make communication easier. Taylor talked about the rules that are set in place to keep athletes safe such as making sure that there are two adults copied on all emails between adults and athletes and that communication between adults and athletes only happens between 8am and 8pm. She also talked about Mary Ellen and how she is a great resource if you ever have any questions. Then Taylor explained how there are a number of committees in our LSC that athletes can become involved with. Ethan Schulz and Emma Farnham said that they had sat in on a committee before. Ali Bragg then said that she will continue to communicate through both text and email and that if a school email isn't going to be helpful this summer to let her know. Finally Taylor said that the MESI athletes had a great role in our LSC and that their involvement is very important. There were no other questions so the meeting was adjourned.

To-Do List:

1. Continue to communicate through text and email
2. Send Ali your personal email if you do not frequently check your school email
3. Look into different committees if you are interested
4. Remember to copy another adult on all emails between adults and athletes as well as only communicating with MESI adults between the hours of 8 am and 8pm (in the athlete's time zone)

Respectfully submitted,
Emma Farnham
