Maine Swimming DEI Report

Report Prepared by Zachary Mullin

I am rebuilding the committee after senior swimmers graduated. I have two athletes, Kaia West and Jet Francis, who are potential candidates. The new Aquatics Director at Boys and Girls Club has also expressed interest. I'm hoping to get a representative from City of Portland Aquatics and Lewiston/Auburn Aquatics on board. The goal would be to emphasize swim lesson advertising in the Southern Maine area, and to develop strategies how to better serve the New American community.

Once the athletes are on board, they will oversee all DEI social media posts.
