

AGE GROUP COMMITTEE REPORT
AJ ROG

Age Groups Committee Year in Review Notes

1. This year we started by setting the qualifying times for our Winter Champs Meet in Bath.
2. We discussed the D1 and D2 meet structures and hope to come up with further ideas around these meets. Decided this year to use the Olympians clinics in place of those meets.
3. We are currently working on creating an All-Star meet for Maine swimmers, but hoping that New England or Conn. Swimming will be inviting us to an All-Star meet next year. Also working on creating some opportunities for our swimmers throughout the state to practice and compete in collaborative competitions, i.e. kids from different teams coming together to compete on the same team and train together.
5. Recruited new members for our committee and are excited to have new faces and ideas in the near future.
4. Finally, we will be discussing the Summer Zone meet and selecting a coach and hammering out the details of what needs to be in place for our swimmers to compete.
