

Check the Box for Diversity!

Maine Swimming Diversity, Equity and Inclusion Initiative

Why Check The Box When Registering Swimmers?

When you register with Maine Swimming be sure to include your ethnicity or disability.

Increase Diversity

Increase Ethnic, Multicultural, Disability, and Socio-Economic Diversity at all levels of our sport.

Encourage New Initiatives

Be counted! Let USA Swimming and Maine Swimming know you are out there and you want them to continue to find new ways to encourage diversity and inclusion.

Stay Informed

Checking the box helps swimmers and families stay informed of DE&I opportunity

About the “Check the Box for Diversity” Initiative

All Maine Swimming registered teams are eligible to receive an incentive from Maine Swimming based on the percentage of swimmers who check the box upon registrations based on the percentages below:

80% - \$50

90% - \$100

100% - \$200

The deadline for participation is the registration deadline for MESI Winter Championships. If families are uncomfortable providing ethnicity information, they may submit a form indicating their preference and this submission will count towards the team percentage.
